

Event branding options

Everything you need to know about branding your event.

Please supply a print ready artwork to required specifications in a PDF format, no later than 2 weeks before your event. We are unable to produce or modify artwork for you. Please contact us for prices. Costs are per city (extra charges for multi city events - please contact us to discuss). All installations (attaching covers to bike wheels etc) are done by Bike n' Blend prior to your event so we are ready to roll on the day!

Cups

- Suitable for our 12oz Biocups
- 53mm square design
- The sizes shown on our stamps, is the maximum printable area. You should make your design approximately 2mm smaller than this size for the best impression.
- Minimum line thickness of 0.2mm

- Minimum font size 8 point
- Single solid colour only (no shading)
- Colour matching is not possible
- Price includes labour applying stamp to 200 cups, additional cups will be \$25+GST per 200
- Colours available: Black, Red, Blue, Green, Violet, Sky blue, Burgundy, Pink, Orange, Yellow, Brown, Fluro Red
- Stamp is reusable for your next event, but labour for stamping the cups will apply

Bike wheels

Everything you need to know about branding your event.

Wheels

Double-sided wheel covers
(laminated 2mm PVC discs)

- Our most popular branding option, your logo will be highly prominent throughout the day
- Reusable discs (additional labour costs may apply for multiple events over time, please chat to us for a quote)
- Laminated and UV protected for extra protection
- If you want multiple designs additional charges may apply, please ask us for a quote first
- Slit and attachment points needed for cover to secure to wheel safely

- Late or incorrect files may run the risk of not being printed on time
- You take full responsibility for any errors or omissions in the artwork

Artwork Specs

- All images must be 300dpi
- All images must be converted to CMYK
- All Fonts must be converted to outlines
- All artwork must have a minimum of 5mm bleed all-round.
- Artwork should be flattened and saved as a High Quality PDF
- Must include Crop Mark and Bleed.

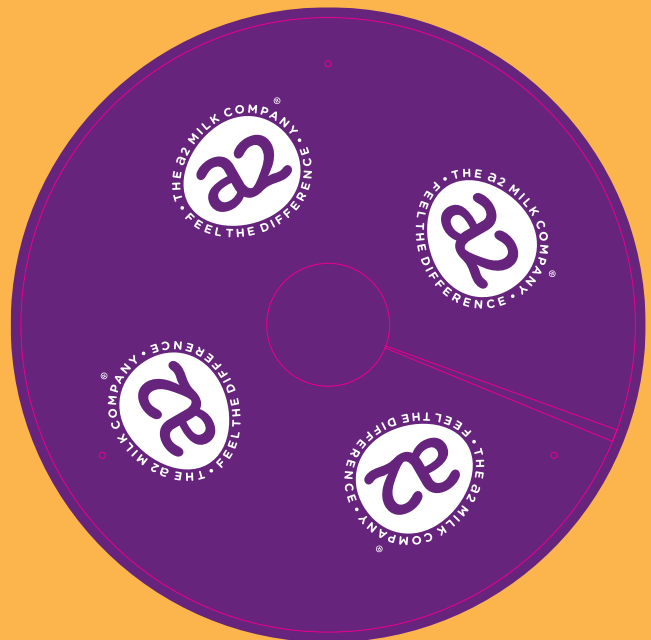

Additional Wheel Specs

Please note that diagrams are not to scale. Slit and attachment points needed for cover to secure to wheel safely. Print ready files need to be received at least 2 weeks before your event. Late or incorrect files may run the risk of not being printed on time. You take full responsibility for any errors or omissions in the artwork.

Adult Bike Wheel Branding

- 600mm wide (diameter) circle
- 120mm hole in middle
- 2mm slit at base becomes 12mm slit at edge
- Three 6mm wide holes for attachment

Kids Bike Wheel Branding

- 400mm wide (diameter) circle
- 120mm hole in middle
- 2mm slit at base becomes 12mm slit at edge
- Three 6mm wide holes for attachment

Table branding

Conference tables

Suitable for all indoor events, currently not available in South Australia

- One piece graphic panel wrap around the table
- Dimensions as per the image, please include a 10mm bleed

To fit our tables, suitable for staffed events only. We cannot provide a table for unstaffed events. We have two table types, please check with your sales person which table is allocated to your event before producing artwork.

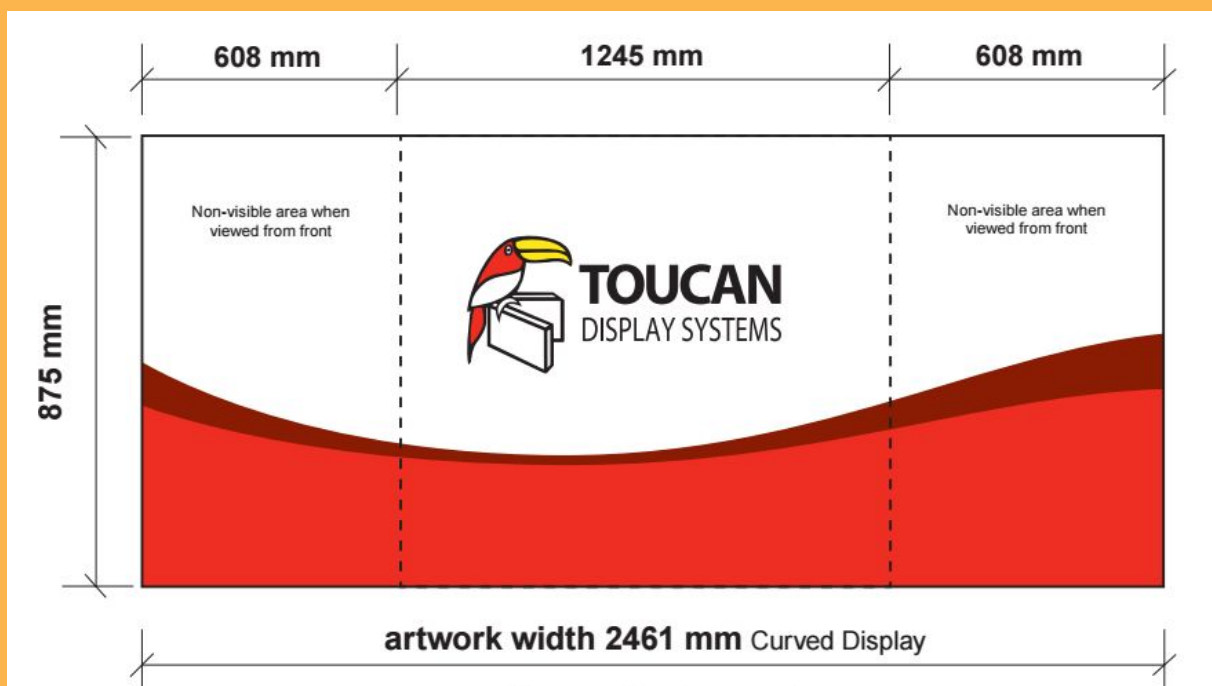

Table branding

Stainless Steel Tables

- Suitable for all events, available in every state
- Three flat panels dimensions are Width x Height, please include 10mm bleed
- Front: 1 @ 1530 x 900mm
- Sides: 2 @ 610 x 900mm

To fit our tables, suitable for staffed events only. We cannot provide a table for unstaffed events. We have two table types, please check with your sales person which table is allocated to your event before producing artwork.

A-Frame branding

A-Frame Branding

- Add a message to your event with an A frame; great for indoor or outdoor events.
- Size: 600 x 900mm (note frame covers 1cm on each side and 2cm top and bottom)
