More information

Please supply a print ready artwork to required specifications in a PDF format, no later than 2 weeks before your event. We are unable to produce or modify artwork for you.

Please contact us for quote. Costs are per city (extra charges for multi city events - please contact us to discuss). All installations (attaching covers to bike wheels etc) are done by Bike n' Blend prior to your event so we are ready to roll on the day!

Getting in touch
